Meetinghouse makes it easy to recycle: just place recyclables in the 2 yard container! Here's a run down of what items can (and can't!) be recycled there:

Glass: clear, green or brown glass bottles and containers – be sure to remove their lids and rinse. No window glass or mirrors. **Cans:** Aluminum, steel and tin cans. No foil or food trays. **Plastics:** Milk bottles, detergent bottles, plastic used for beverages. All plastics can be recycled except film and bags. **Paper:** Newspaper, paper bags, magazines, junk mail, catalogs, corrugated containers (except those with wax coating) and cardboard boxes.

Thanks for helping to conserve the planet by going green with the Kaiserman Company!

Who's starting school this September? What grade?

Let's Quit and Make Meetinghouse Smoke Free!

Trying to quit smoking? Here are some resources that may help. You can find free Quit Smoking Classes in Delaware County at www.tobaccofreedelco.com. Pennsylvanians can get free counseling and free nicotine patches by calling 1-800-Quit-Now. Crozer-Keystone Health System (610-447-6009) offers **Clear The Air**, a free 6 session group program led by experts who understand why smokers smoke. The program's 'positive behavioral change method' helps teach attendees how to kick the habit. Free Nicotine Replacement Therapy is also available to those who qualify. The next program will be in the fall.

When you're at the playground, remember...

WHY? Because second hand smoke is toxic.

Let's Walk!

Interested in doing some healthy cardio-walking around our beautiful community? Louise in D building would like to form a walking group! Contact her at lcapanelli12@verizon.net. If you don't have access to a computer, call the office and we'll relay your interest to Louise.

Want a more strenuous workout? Call Donna Nather at Pro Martial Arts in Boothwyn for some Kick Boxing Classes at (610) 494-3000. Take 10 classes for just \$49.99.

Meetinghouse is now dog-friendly, and we've set up some convenient 'dog stations' around the property. You can do your part to keep our community clean by curbing your dog and picking up afterward!

Beautiful Balconies, Patios, and Gardens

Want to help keep the balconies and patios at Meetinghouse looking lovely? When cleaning your balcony, remember that debris may fall onto your neighbor's patio. If it does, take the extra step and clean it up. We're sure the gesture would be appreciated!

Meetinghouse security has discovered quite a few lost items, and we'd like to return them to their rightful owners. For example, we found an electronic child's toy at the playground. If you think it might be yours, call the office and describe it. If you've lost anything else, call security at (610) 405-6618.

Winter Tree Decoration

You might have noticed the beautiful spruce tree near the gazebo. Well, we're thinking about decorating it this winter, with festive lights to celebrate the season. We could plan a tree lighting party... and maybe even schedule a visit from Santa! Sound like a good idea? Let us know what you think.

Thoughts for the Day

"The first and the most important step towards success is the feeling that we can succeed. Success is the good fortune that comes from aspiration, desperation, perspiration and inspiration."

"Don't live in regret! Your past is set, but your FUTURE is wide open."

Be safe and enjoy your summer!
