## Learn How to Be Smoke Free

We have a new reason why you should quit smoking. Meetinghouse is going smoke-free in 2016.

Have you ever seen the lungs of a smoker versus a non-smoker? Did you know second hand smoke is almost as bad for you as lighting up, especially for children? Our children cannot afford to live in a smoke-filled environment and that's part of the reason why we're making this change.

If you have insurance, you can access smoking cessation information and programs. Check the [healthcare.gov](http://healthcare.gov) website to see what's available through the PPAHCA.

## Spring/Summer

It seemed like the warm weather was never going to arrive! The winter was challenging, lasted way too long and made us yearn for the lazy days of summer. And you know what? Here they are!

## Landscaping

Thursday is the day the landscapers visit our community to cut the grass. Please help by picking all toys up and placing lawn furniture on the back patio the night before. The landscapers will not move your furniture. With your help, the grass can be cut evenly.

Have you noticed the new signs at the entrances, and the new landscaping design by the office and by the side entrance? It all looks beautiful! More landscaping will be done throughout the year, including removing the pine trees down by G & H. Every time we scheduled them to be removed, it snowed. I think we are safe now! 😊

## Pool Memberships

The pool is a wonderful place to meet your neighbors and relax. Memberships are \$40 per family this year. Stop by the office to sign up. The picnic area will be the hot spot this year for our events. You can count on that!

## June Event

We are finalizing plans for our June party and we're thinking about having a pizza party and some water ice? Sound refreshing? Let's hope the weather cooperates with us. Keep posted!

## July Event

We are also thinking ahead about having a July "Congratulations" event. Congratulations for what, you ask? You name it. Finished High School, Middle School Going or entering Kindergarten? Lost a few pounds? Had a baby? Bought a new car? Just moved in? Just need an "attagirl?" Just need an "attaboy?" Had an anniversary? Just got a new job? Or just want to be in a happy mood? Let's celebrate anything you want, with a day of "Congratulations." Details to follow.

## Community Gardens

Our community gardens are in the final phase of being redesigned and numbered. Wait until you see the finished product! Interested in planting? Please come to the office and sign up for a designated plot. It will be your responsibility to take care of nurture your garden so it grows. Questions? Give us a call 610-485-5838. Reminder: please DO NOT start a vegetable garden behind your home. If you want to plant small flowers, that's fine.

## Employee of the Month

Look at these two handsome men! On the left is our own Supervisor Jack Schill receiving an Employee of the Month pin from Homer Robinson, the President of the Company, to his right. Jack was named Employee of the Month for building up morale and handling work orders professionally. As one employee said, "He is an absolute pleasure to work with, and his extensive knowledge is inspiring." Congratulations, Jack!

## BBQ Grills

The warm weather here, and so is grilling season. Please remember that according to the Upper Chichester Fire Marshall, BBQ grills of any kind are strictly prohibited on all apartment decks and patios. Gas grills are allowed if you live in a 2 or 3 bedroom townhouse but the cooking must be done away from the building.

## Lease Renewal/Extension

If your lease is coming up for renewal and you're undecided, please don't fret. Come to the office and talk to us about your concerns. We are usually in the office usually as early as 8 am. Just let us know YOUR schedule, and we'll be happy to meet with you at your convenience.

## Storage Sheds

You asked, and we heard you "We want storage, storage and more storage!" That's what you told us. We will be installing storage sheds for your convenience. They will be approximately 8' x 10' and will be available to rent. The rental amount is still being determined. We know they will be in demand, so if you would like one, let the office know and we will put you on a waiting list. They will be available to residents only, and located on our property.

## Kaiserman Incentive Program

A few weeks ago, residents received information regarding our new Kaiserman Incentive Program, which we will now be using rather than giving TD Gift cards to thank you for Resident Referrals. This program awards you points that you can redeem in numerous online stores to buy almost anything you'd like. Questions? Please call the office.

## Dogs

We do warmly welcome dogs, but please remember to pick up after your pet and keep your dog on its leash except when in the dog park. We have many children at play here, and when you don't clean up after you dog, it can result in a real mess. Further, the odor can be quite annoying and uncomfortable for those trying to enjoy sitting out on their patios. Thanks for your cooperation.

## Early Membership Drawing Winners

We held a drawing for those who filled out and paid for pool membership early. Justin Mena won a \$50.00 TD Gift Card. And the Jenkins family won a \$25.00 TD Gift Card. Congratulations!

Have a wonderful and safe summer!
