## Thank You

Thank you to everyone who remembered our office and maintenance teams over the holiday season. Your gifts, cards, and pastries were very appreciated. To those who decorated the lawns, windows, balconies, and courtyards for the holidays, you certainly made Meetinghouse look more beautiful than it already is. Thank you for taking pride in our community.

## Happy New Year

As 2015 begins, we would like to take this time to wish everyone a happy, healthy year. Keep in mind that, although we may seem busy, we are always available to sit and talk about anything that concerns you.

## Our New Year's Eve Breakfast

Our New Year's Eve Breakfast was quite a success. We had a hungry, happy crowd in our office! It was a pleasure to become reacquainted, share a cup of coffee, and catch up. If you missed it, we hope you'll be able to attend one of our upcoming resident events.

## Valentine's Day

Valentine's Day is coming soon, and our leasing team is getting ready to spread some love in a sweet way. The leasing office will hold a collection for our troops overseas the month of February. We will be collecting toiletries, snack food, powdered drink mix singles, clothing (e.g., white socks and brown or green T-shirts), and fun materials such as puzzle books, DVDs, disposable cameras, etc. Letters and greeting cards are highly encouraged as well. For a complete list, please contact the office. If you bring in a donation, receive a bag of sweets for being so sweet.

We all wish you a Happy Valentine's Day and hope you enjoy spending the day with your loved ones.

## Community Gardens

We plan on having more plots for our gardens this year – just a little FYI! Again, you will have the opportunity to meet residents and enjoy a wonderful pastime. Be sure to reserve your plot early.

## Bike Shelter: Good News for Bike Owners!

Tired of having your bikes on your porch, in your hall, or on the balcony? Or just in the way of everything? We have solved that problem for you! ☺ ☺ Over by T Building, we have built, for your convenience, a covered bike shelter. You can park and lock all your bikes in a covered area and have access to them at any time. No charge, just an added convenience.

## Sewer Lines

Help us keep our sewer lines open and clean. Sometimes items whose packaging suggests they are “safe” to dispose in the toilet really aren’t, in particular baby wipes and towelettes. Please do not dispose of these items in the toilet. Thank you from our maintenance team.

## Maintenance Emergencies

For after-hours maintenance emergencies, call the office at 610-485-5838. Call this number even when the office is closed; our answering service will forward your request to our maintenance team member on call.

## Mailing Addresses

Your apartment/townhouse number is part of your address. To avoid any delays or non-delivery of your mail, please advise your correspondents of your complete address. If your unit number is not on your mail, it may be returned to sender.

## Laundry Room Hours

Please be considerate of the residents who live near the laundry rooms and do not use the machines before 8 a.m. or after 9 p.m. Thank you.

## Parking

We are very well-rented and realize that, with the bitter cold, everyone would like to park close to their homes. But we also know this is not always possible, so let’s be courteous and mindful of our neighbors. If you have more than one vehicle, park only one near the building and your other(s) in an area not as convenient. Also, never park in a space designated for someone with a placard.

## 100 Ways to Conserve Water

We could list them, but then we wouldn't be conserving paper! Check them out at [www.wateruseitwisely.com/100-ways-to-convert](http://www.wateruseitwisely.com/100-ways-to-convert)

### Lease Renewal

We love our residents and we'd love for you to stay. After all, moving is one of life's most stressful and costly experiences. The average cost runs between \$1,250 and \$1,500, and don't forget the hassles of renting a truck, packing up, deposits, reprinting checks, address changes, and decorating costs. So relax, take a deep breath, and call us when your lease comes up for renewal. We want you to continue to call Meetinghouse home. And when you do renew your lease, be sure your Renters Insurance policy is current and the office has a copy of the Declaration Page.
